CARD OF THANKS

I would like to say thank-you to everyone for their thoughts, prayers, visits, cards, flowers and everything that was done for me and my family when I was in the hospital and also after I was released and finally got to come home. The meals from everyone were wonderful and a life-saver.

Leah you made my day with your little black bag. You went beyond the call of duty and raised my spirits when they were low. To everyone at PMH for all you did for me that night I was taken out. You are all awesome. We are so lucky to have all of you. Vickie and Shelley thank you for your persistence that day. You saved my life. Sorry I was so stubborn. A

special thanks to my family and dear dear friends for the incredible surprise waiting for me when I got home. I can never express with words my gratitude to all of you for what you did. To my family and friends for being there for me all the way through this whole ordeal. I love you all and am glad to still be here to tell you so. I know I probably missed someone and I'm sorry if I did. So a very very big thanks from my overhauled heart to all of you. Bev I'll be waiting for your call to let me know when you're in town. I have our table all picked out at the park. Thank you everyone Sally and Willie Maddern
