Attention grilling aficionados- two grilling contests planned during fair

Two grilling contests have been planned during fair this year. The first one is on Thursday, August 5, and the second on Friday, August 6. The contests start at 9:00 a.m. and end around 4 p.m.

The 3rd Annual Painted Hills Natural Beef Backyard Grilling contest will be on Thursday and the 4th Annual Foster Farms Backyard Grill Masters

contest will be on Friday.

Contact the Fair Office for entry details, deadlines or on-site information. Enter at www.oregonstatefair.org.

The winners of each contest will go to the Oregon State Fair to compete in the state-wide contests. The Fair must have four teams per event signed up by July 26 to have the contests.

4-H leaders are awesome

The 4-H program relies on volunteer adult leaders to organize and lead groups of 4-H members. Research shows that youth who have a non-parental adult as a friend, teacher, and mentor do better than youth without such an adult presence. As a 4-H leader and educator, you are in a position of great influence. You can channel members' curiosity, inspire new interests, and continually offer new opportunities for them to grow and develop into happy and productive adults. You can be the key to a young person's success.

A recent study showed that most 4-H leaders volunteer because they are interested in making a difference in the lives of young people. While some 4-H leaders have expertise in a particular content area, such as animal science, it is not a requirement. The 4-H program is always looking for quality, committed adult volunteers. If you are interested in exploring becoming a 4-H volunteer, please call or visit the Extension office.

Studies show that each 4-H volunteer gives an average of 200 hours of time annually to the 4-H Youth Development program. Looking at Oregon's 6,000 volunteers, that means 1,200,000 hours are given annually to help youth develop skills for a lifetime. Nationally, the current estimated dollar value of volunteer time is about \$20 per hour. "Not only are 4-H volunteer leaders awesome, but the value of their time to Oregon 4-H is more than \$20 million annually," said a 4-H spokesperson.

When looking for workhorses,
always check the bloodlines.

Only a greenhorn would underestimate the importance of good breeding. It affects the ride. The spirit. The determination to go the distance. John Deere's bloodline is second to none. That's why jobs like hauling hay, tending pastures and fixing fences seem like second nature. No wonder you wouldn't trust your land to anything else. Just don't be surprised if those horses smile a little every time you pass. *Your Land is Your World.*
