

## 2010 Harvest photos wanted

2010 marks the third year the Morrow County Wheat Growers have sponsored the Wheat League Cake Contest as a feature of the Morrow County Fair.

"Another harvest season is underway and with it an opportunity to take pictures of our way of life and share it with folks who don't live on a farm," said Shannon Rust. This year the Morrow County Wheat League will spon-

sor a photo contest as well

People are invited to bring their mounted 4x6 or 5x7 photos to the Fair Office before the arts and crafts deadline to make sure their contribution is displayed.

First\* place will be awarded \$30, second place, \$20, and third place \$10. For more information call Shannon Rust at 541-376-8202. "Have a great harvest."

## Willow Creek Tea Party Patriots to participate in fair

The local Willow Creek Tea Party Patriots plan on having a booth at the Morrow County Fair this year, the group recently announced. It will be located in the main pavilion.

Volunteers plan on manning the booth from 4 to 8 p.m. each day and will be providing literature, drawings, hand-outs, balloons and commentary. Voter registration forms will also be available as well as updates on issues and candidates important to the country.

The group, which is non partisan and believes in limited government, fiscal responsibility, free enterprise, and freedom of opportunity, will also be staffing the 4-H Snack Shack from 7 to 10 a.m. Friday Aug. 6.

In addition they plan to have an entry in the parade on Saturday.

The Tea Party will also have an entry in the Umatilla County Parade at 7 p.m. on Sat. Aug. 7. Some of the recent activities of the local Tea Party group include the following: conducting a 'get out to vote' campaign in the last election, gathering signatures on state petitions, meeting with high school civics classes, attending a forum in LaGrande covering the US Constitution, presenting a US flag to Heppner High School, helping circulate petitions supporting a no vote on tax increase measures 66 and 67 and supporting Arizona on its new illegal immigration law.

The group says it has a diverse membership consisting in part of "small business owners, livestock ranchers, construction company owner, former trucking dispatcher, retired fire fighters, air traffic control supervisor, wheat and hay farmers retirees, secretaries, veterinarian, minister, farm laborer, newspaper distributor, insurance agent, pump and irrigation company owner, moms, dads and grandparents," and urges anyone who would like to become involved to contact the group either at the fair or through email at [wcteaparty@gmail.com](mailto:wcteaparty@gmail.com).
