

Boardman applies for grant for South Main Street improvements

The Boardman City Council recently passed Resolution 17-2010, supporting application for a Transportation Enhancement Grant for improvements to South Main Street. The grant is administered through the Oregon Department of Transportation and is the same grant the city

has applied for over the last eight years. In June of this year, with a grant from the Oregon Department of Transportation, the city widened South Main Street and added curbs and sidewalks from the Interstate overpass to the Bonneville

power transmission lines. The city plans to do the same type of improvements to the remaining portion of South Main Street where it intersects with Wilson Lane. If awarded the grant, the city will be receiving the funds in 2013.

In other city busi-

ness, the council approved spending up to \$7000 to widen a curb in the newly completed South Main Street project. They gave permission for Prancing Horse, LLC to develop four new homes, also the council agreed to a Memorandum of Understanding with the

U.S. Bureau of Land Management designating the city as a cooperating agency for participation in the Idaho Power Transmission Line Project meetings.

The next meeting of the Boardman City Council will be Tuesday, October 5, at 7 p.m.

Community Lunch Menu

Christian Life Center members will be serving lunch on Wednesday, October 13, at St. Patrick's Senior Center. The menu will include lasagna, green salad with tomatoes, spiced pears, garlic bread, and apple cobbler.
