Adam the Great to perform all week at fair

According to Chinese astrology, Charles A. Johnson was born in the year of the Buffalo. It is written that he could have been successful as a surgeon, general, or hairdresser. He chose none of these professions. Instead he chose to become a performer in the art of magic, as Adam the Great.

His show is a unique blend of charm, wit, audience interaction, and innovative magic. Adam will be here all

Adam the Great

of fair week, so watch for the strolling magician; he may also do a stage show or two.
