

4-H Enrollment begins October 1

The Morrow County Extension Service is inviting families to join 4-H, "the nation's largest, out of school, positive youth development organization." 4-H enrollment for the year begins October 1.

"For more than 100 years, 4-H has offered opportunities for youth and families to master new challenges, experience growing independence, feel a sense of belonging, and to give back to our communities," said the Morrow County office.

"4-H is a positive youth development program and can provide partnership opportunities with families and volunteers to create an educational atmosphere within various project areas," said the Extension news release. "These projects are tools to help youth learn life skills through competition, team work, community service, challenges, and success. Through the 4-H experience,

members have potential to grow in knowledge, skill, citizenship, and leadership. 4-H opportunities include: working with adult volunteers; working with a diverse group of youth as a team; feeling a sense of accomplishment, developing and practicing leadership; receiving recognition for their efforts; participating, at all levels, in a safe environment; providing service to others; and having fun"

New members or volunteers may sign up for 4-H now by contacting the Morrow County Extension Service, (541) 676-9642. Current 4-H members and volunteers will receive a re-enrollment packet in the mail. County member dues are \$5 per member and state member dues are \$15 per member with a \$30 family cap. Membership applications are accepted year-round, but in order to be eligible for fair, applications must be received by

Jan 31, 2012.
