Thank you so much Sandy for nominating me for the Woman of the Year award and to those who choose me as the recipient. I am so honored to join the previous list of winners in this category. Heppner is a great community and I feel blessed to be able to serve as a volunteer. It is important to me to acknowledge the many other volunteers that serve with me in my projects that I take on. The office volunteers at the Senior Center, the many people that so willingly help and

bring food to the dinners at the Elks, and those that take on my painting projects with me. No project gets done by one person alone. Thanks also to Bill Kuhn for his kind words and for helping me so many times with the tasks that I took on and needed his advice Sandy you are so dear to me and that made your presentation so special. I know how hard it was for you to get up in front of a lot of people and speak, so thank you from the bottom of my heart. My congratulations to all of the other winners. Thanks to my family and friends for being there for me, always. It was a great night and a big surprise (thanks Sharon).
