

HES celebrates year end

The last few days of the school year were celebrated at Heppner Elementary School with many fun activities.

On Tuesday evening, the gym was filled with students, parents and staff for the end-of-the-year awards night. More than 325 certificates were given to K-6 students for AR, HEROES Junior Readers, math contests and the Presidential Awards, to name a few.

The school loaded up the buses and headed to Cutsforth Park on Wednesday to enjoy a barbecue with all the trimmings prepared by Mrs. Rill, Mrs. Carlson and their many helpers. The students who passed all four AR goals were treated to a few hours playing horse-shoes, relays, baseball and relaxing in the sun instead of school work.

On Thursday, Mrs. Gentry organized the annual field day in the gym with 12 different stations including the water relay, three-legged race, balloon popping and tug-o-war. The students and staff were exhausted, but fun was had by all.

Heppner Elementary wrapped the year up with its Student of the Month assembly, the character trait for which was confidence. They also awarded their fourth-quarter perfect attendance, Les Schwab Pride in Performance second-semester perfect attendance, and all-year perfect attendance students.

The final event was the honoring of staff who will not be at HES next year. Mr. VanLiew, who retired earlier

in the year but has remained a full-time substitute, was honored with a keychain. Mrs. Norton, who was the school's temporary Title I teacher, and Mrs. Stone, who is moving to Hidden Valley with her family, were honored with wind chimes. A standing ovation was given to two retiring teachers, Mrs. Clough and Mrs. Haguewood. They were honored with necklaces, yard benches, and wooden

teacher chairs. Each has a special inscription: "Thank You for Making a Difference in the Lives of Students," "What a Teacher Writes on the Blackboard of Life Can Never Be Erased" and "Retirement...now sit and relax."

Mr. Combe commented about their retirement at the close of the day, "There goes 61 years of teaching experience out the door. That can never be replaced."
