## CARD OF THANKS

The assisted living would like to thank all their friends for their continued support of the last 6 months. Thanks to the people that help with our ongoing activities of crafts, bingo, piano music, reading of the Gazette, pinochle and bridge games, drivers for the residents and library book exchange.

We have had many donations of food including crab for New Year's Day, lots of people shared their garden produce. Our living room has been graced with many beautiful flowers that have come from different events going on in the community. We have received prizes to be given for bingo, a stationary bike, Christmas sign, miniature sleigh and eight tiny reindeer, stockings were hung in each apartment and presents awaited each resident under the tree. Santa was definitely a big presence at the facility Christmas.

You have made our days cheery and bright with all your visits. On Halloween preschoolers came and decorated pumpkins, played games and sang songs. The Cloggers from Pendleton performed for us, the Old Time Fiddlers played music, we had help trimming the tree and we were entertained by carolers. We attended music in the park in Boardman, took a tour of the Port of Morrow and attended the

fair. Many of our activities are possible because of the money donated to our activity fund.

We are a busy group with something going on most days. We thank our many friends for their continued gifts of money, time and love that you so abundantly share with us.
