It is anticipated that two separate lift dates, one for the removal of the existing structure and bell and one for the placement of the reconstructed structure and bell, will be required. Each date will require 2 or more lifts as determined by the contractor.

The existing clock tower structure to be removed is estimated at 7,200 lbs. The bell is estimated to weigh 3,050 lbs. The existing tower structure and bell will be prepared for removal by others prior to the arrival of the Crane contractor. The Contractor shall lift the structure and bell and lower it to a location directly adjacent to the Courthouse.

On the second lift date, the contractor shall crane lift the re-constructed tower structure and bell back into position on the Courthouse building.

The contractor shall be responsible for all rigging associated with the two lifts. Specifications and bid sheets may be obtained by contacting Morrow County Public Works Sandi Putman at 365 W. Hwy 74, P.O. Box 428, Lexington, OR. 97839. 541-989-9500.

Bids shall include all costs associated with mobilization for each separate lift date and all costs associated with rigging, lifting and placing as directed. Dates for lifts shall be coordinated between the contractor and the Morrow County Public Works Dept.

The successful contractor must have Worker's Compensation Insurance covering work in Oregon. The successful contractor must also submit documents addressing insurance, non-collusion, tax law, debarment, and conflict of interest as part of the personal services contract. Sealed bids must be received at the Morrow County Public Works Office, P.O. Box 428, 365 W. Hwy 74, Lexington, OR 97839 no later than 4:00 pm April 09, 2013.
