The Friends of Heppner FFA, also known as FFA Alumni, is a group of adults that agriculture teachers rely on to help them get community support for their agriculture programs. FFA relies on alumni members for help with recruiting students and raising funds for chapter activities and scholarships. FFA Alumni members also assist at FFA camps and conferences, the national FFA convention and other personal development programs.

Through their commitment to FFA and agricultural education, FFA Alumni help guide the young people in their communities down the path to success.
