

## Mustang girls take first in Arlington relay

The Heppner varsity track team competed in Arlington on Saturday, May 11. It was a beautiful day, with nice weather and a fair share of personal records, (PRs) for the team.

For the girls' team, Emma Osmin took first place in 300M hurdles with a 52.06 and fourth in 110M hurdles with an 18.04-PR. Kelly Wilson took sixth in triple jump with a 28-09.00 and third in the long jump with a 13-06.00. Ryan Dougherty held seventh in high jump with a 4-04.00. Kaelyn Lindsay took seventh in 100M with a 14.15. The girls 4x100 relay team of Emma Osmin, Makayla Kindle, Kelly Wilson and Kaelyn Lindsay took fourth with 53.60. They took first in the 4x400 with a 4:39.25 thanks to team members Emma Osmin, Mekayla Kindle, Kelly Wilson and Kaelyn Lindsay.

In the boys' events, Earl Propherer had first place in 300M hurdles with

a 45:87. Bryce Fowler took fifth in discus with a 105-07 and sixth in shot put with a 36-03. Jared Lemmon had seventh in the 100M with 12:32. Skyler Palmer held fifth in the 1500M with 5:16-PR and eighth in the 800M with 2:32.93. Kaden Clark took second in triple jump with 38-01.00-PR and 10th in 200M with 25.99.

Jeremiah Petzoldt went home with seventh in the high jump at 5-02.00. The boys 4x100 relay team ran a 48:56 and included Bryce Fowler, Earl Propherer, Jared Lemmon and Tommy Bredfield. The 4x400 relay team of Bryce Fowler, Earl Propherer, Skyler Palmer and Kaden Clark took third with a 3:55.09.

## Boys golf takes first in districts

Boys, girls both earn spot in state tournament

Heppner boys placed first as a team during the Special District 5 golf tournament at Pendleton Country Club May 6-7. The combined team score of 700 sent the Mustang golf team to the state championship this week at Emerald Valley Golf Club in Creswell, OR.

Austin Gutierrez led the team with an individual

score of 162, followed by Kyle Harrison, 173; Tate Gentry, 180; John Propherer, 185; and Shane Miles, 222.

Mustang girls also showed they were up to par, finishing fifth in districts with a combined score of 819. Blake Greenup set the team standard at the District 7 tournament in Pendleton

with an individual score of 187. Stacey Halverson followed with 205; Maddie Lindsay, 210; Macy Gibbs, 222; and Paige Grieb, 225. The girls then took their shot at the state title Monday and Tuesday at Eagle Crest Ridge Course in Redmond, OR.

State results were unavailable at press time.

## Local boys earn tournament win

This Mother's Day, Jacob Lindsay and Weston Putman gave their moms a special gift—victory in the fifth annual Mother's Day Classic held in Hermiston, OR.

Lindsay and Putman play for Stanfield Thunder, a traveling baseball team for boys 14 years old and under. The Thunder will play in tournaments throughout Oregon and Washington during the summer.

The Thunder earned a 3-1 record to capture the title. Beating Pendleton, Hermiston and Baker City, the team's lone loss came against La Grande.

During the two-day tournament, Lindsay and Putman's contributions on offense led to runs scored and runs batted in. While they each played more than one position, Lindsay's lock on second base and Putman's prowess behind the plate helped secure wins each day.

tions baseball program, the boys are competing against talented players from a variety of areas, and the competition, along with dedicated instruction from committed and knowledgeable coaches, is helping the boys' continued development in all areas of the game. Their previous tournament, the Cinco de Mayo Fiesta, was held in Kennewick, WA. Teams from Montana and Idaho traveled to the Tri-

Cities for that event, which earned the Thunder a third-place finish.

Visit [www.nwouthbaseball.com](http://www.nwouthbaseball.com) for more information about upcoming NW Nations baseball tournaments and results. Consider coming out to support these kids as they help promote Heppner baseball through their hard work, energy, and efforts as members of the Thunder.

## Cardinals set PRs in Baker, Arlington

In the Baker Invitational on May 10, the lone track team had five PRs each for both the women and the men, as well as three season bests and one tied PR.

In Arlington, the team had six PRs for the men and four PRs for the women, and five SR for the total team, with one tied PR. The men placed fourth and the women placed fifth of 14 teams.

"We are looking for some good performances this week at districts. Should prove to be some exciting races," says one lone coach.

The Cardinals compete next in Moro at Sherman County High School at 11 a.m. on Saturday, May 18.

## Weed awareness week planned

Morrow Soil and Water (SWCD) and the Natural Resources Conservation Service (NRCS) will celebrate Weed Awareness Week with the third annual Free Spray Day at the Heppner City Park Friday, May 24, from 9 a.m. to noon.

Morrow County Grain Growers generously donated the herbicide, "Tri-Mec," a broadleaf herbicide. One-gallon containers of premixed, labeled, herbicide

will be given to each adult who agrees to follow label directions, with a limit of two per household.

Tri-Mec, produced by Gordon's Chemical Company, is labeled for use in landscape situations. Weeds labeled for control in this area are puncturevine, catch weed, plantain, bull thistle, clover, dandelion and many more.

This year's message for the Oregon Invasives

Weed Awareness Week is H.E.L.P.—Habitat, Environment and Land Protection. The message is that we all live in a watershed and have the responsibility to leave the land and water better than we found it.

Information will also be available on available programs and watershed health information. For more information, contact Morrow SWCD or NRCS at 541-676-5452.

### Stroke Awareness

**Do YOU know the signs?**

- Sudden numbness or weakness - especially to only one side of the body
- Sudden confusion, trouble speaking or understanding
- Sudden trouble seeing in one or both eyes
- Sudden dizziness, trouble walking, loss of balance or coordination
- Sudden severe headache with no known cause

If you, or someone you love, experiences ANY of these symptoms Call 911 immediately and tell the dispatcher it is a suspected stroke! Response time is critical! Time lost is brain lost!
