Get involved in Morrow County Fair

(You know you want to)

We all go to the Morrow County Fair to look at the flowers, watch the 4-H members compete and check out the livestock. But there is no doubt that fair is always more fun if we are part of the event.

There is still time to participate. The fair opens to the public on August 14, but exhibits are accepted beginning Monday, August 12. Flip through your Morrow County Fair Premium Book right now and look at all the opportunities to be part of the fun.

Be an exhibitor at the 2013 Morrow County Fair. It's easier than you think.
