

4-H Snack Shack

## 4-H snack shack a fair tradition

*Also provides major source of income for Morrow County 4-H*

For long-time fair supporters, the Morrow County Fair wouldn't be quite the same without a meal or two from the 4-H snack shack. Not only is the Snack Shack a fair tradition, it also produces the major source of income for the Morrow County 4-H Leaders Council.

The council uses this income to provide such programs as 4-H camp, awards, scholarships and materials for all 4-H program areas. All 4-H members benefit from the proceeds that are earned by the Snack Shack.

Many 4-H parents and leaders help in the Snack Shack at fair. We also have a few businesses that have

served in the snack shack year after year on specific days; these include continued support from the Morrow County Grain Growers and their Wednesday shift, the Bank of Eastern Oregon and their Thursday shift and other local businesses like the NRCS that are also starting to make a snack shack shift part of their annual service.

They do this because they understand how important the proceeds are to the 4-H program. The income earned is invaluable to our program; volunteers are always welcome to help in the Snack Shack. Call the Extension office at 541-676-9642 if interested.

## What's our next theme?

Although Morrow County hasn't even begun to harvest the 100 years of memories that will be on display at the Morrow County Fair next week, it is time for to start thinking about next year's theme.

What will we call the 101<sup>st</sup> Morrow County Fair?

4-H/FFA members, that one is up to you. Plus, any 4-H or FFA group that comes up with the winning theme will get \$50 for their group.

So get those thinking caps on, and let's see who can come up with the best theme ever. To enter Morrow County Fair's theme contest, have your advisor or leader contact Zech Hintz at the fair office, or one of the Morrow County Fair board members.
