**Mustangs volley for a cure**

The Heppner High School Mustang volleyball team (above) is decked out in pink this October to support Breast Cancer Awareness Month. The team members say this is not a fundraising event, but a way to recognize individuals and families impacted by cancer. -Contributed photo

The Heppner High School volleyball program will be wearing pink in support and honor of individuals and families affected by cancer during their match against the Irrigon Knights on Thursday, Oct. 3.

The JV team will take the court at 5 p.m., with the

varsity to follow after. The players encourage everyone to come, watch and wear pink. The girls have new warm-up shirts and socks they will wear for matches during October, which is recognized as Breast Cancer Awareness Month.

This is not a fundraising event, but

rather a recognition of those individuals and families in our community who have battled with cancer in any form.

For more information on donating to cancer research, go to the American Cancer Society website at [www.cancer.org](http://www.cancer.org).
