Friends come and go in our lives, but a few find places so deep in our hearts that they know they will always be with us. David Matheny is one of those special friends and had a greater will to live than anyone we have known. He truly enriched each life he touched.

In 2001, David suffered a severe spinal cord injury. There was little hope of finding adequate healthcare for him anywhere. His family, friends and neighbors quickly pulled their resources together and made it possible to bring David back home. Then in 2002, the most courageous amazing women stepped into uncharted waters to give David 24/7 healthcare from 2002-2013, over 50 women of all ages learned hands on job skills to learn how to care for David and his everyday life challenges on a ventilator. His extended family of caregivers have all ben an inspiration to many and we thank them for giving David the greatest gift of all, life. His dream & hopes of coming home and raising his two sons with Patty were fulfilled.

We thank each of you, Susan & Paul Hisler
