

Heppner tramples first-round opponent 48-8

-Continued from PAGE ONE

After a Logan Grieb kickoff pinned the Braves at the seven-yard line, Corbin intercepted a pass to give the Mustangs the ball back. Bailey then snuck behind the Reedsport defense and Clark hit him with a nice 39-yard touch down pass. The PAT kick by Corbin made the score 15-0.

The defense again forced a punt and the Mustang offense scored quickly after that. Rill rushed for 25 yards and then Bailey scored on a 54-yard run that started up the middle before he broke it outside to the right. The offensive line opened up such a big hole that he was never touched on the play. The PAT kick by Corbin made the score 22-0 at the end of the first quarter.

Reedsport did put together a drive to start the second quarter but the Mustang defense stopped them on the 20-yard line. The Mustang offense punted the ball right back to the Braves. This possession for them ended as Jaden Orr intercepted a pass at midfield. But then three plays later Heppner fumbled the ball away to the Braves. The defense again forced Reedsport to turn the

ball over on downs and this time the Mustangs would score. A run of 42 yards by Rill placed the ball at the two-yard line. Rill punched it in from there for the touchdown and that made the score 28-0 at halftime.

The Mustangs got the ball first in the second half and it didn't take them long to score. After a 15-yard run by Rill, he scored on a 44-yard scamper over the left side of the offensive line. Patrick Collins, John Propheeter and JC Putman blew open such a big hole that Rill scored easily on the play. The Corbin PAT kick made the score 35-0.

On the next Reedsport drive middle linebacker Tommy Bredfield intercepted a pass to give the Mustangs the ball in good field position. CJ Kindle scored on a high-stepping 40 run up the middle of the Brave defense. Corbin again kicked the PAT and the score was now 42-0.

Reedsport again turned the ball over and Collins recovered the fumble at the 44-yard line of the Braves. Bredfield carried the ball several times on this drive and scored on a bruising seven-yard run up the middle. That made the score 48-0 in the middle of

the third quarter. The rest of the game would be played with a running clock per the state rule regarding when a team gets a 45-point lead.

The Heppner coaches started to make substitutions to give the younger players some playoff experience. Logan Grieb got to see his first action at quarterback in a varsity game. The offense ate up yards and the clock as they were able to move the ball on the Braves.

The only score of the game for Reedsport came on a pass play with around eight minutes to go in the game.

The JV offense led by Jake Lindsay did a great job of finishing off the game with a long drive that looked as if they would score. They got the ball down to the 10-yard line as time ran out in the game. The final score was 48-8.

The Mustangs had 441 yards of offense for the game. Clark was 6-10 for 93 yards passing. Bailey caught 2 for 50 yards, Rill 2 for 24 and Corbin 2 for 19. Rill had 11 carries for 126

yards, Bailey 68, Bredfield 55 and Clark 47. Kindle rushed for 40 and Lindsay eight; Kevin Murray, Weston Putman and Kolby Currin all had seven yards.

The Heppner defense had another great game holding the Braves to 149 total yards of offense. Leading the way in tackles was Bredfield with 12. Rill had eight, and Orr, Collins, JC Putman and Ethan Ashbeck recorded seven each. Grieb, Kindle, Treston Maben and Weston Putman each had six tackles. Bailey and Propheeter had five tackles each, and Corbin and Ross Cutsforth followed with three each. Tom Gould, Jacob Moses, Skyler Palmer, Caden Hedman and Murray all had one tackle each.

The Mustangs advance to play the Monroe Dragons at home on Saturday at 1 p.m. The Dragons are the #1 team from the Mountain View Conference and have an 8-1 record. They finished sixth in the final OSAA rankings. They beat Lost River in their first round game by a score of 25-14.

"We finished up strong as a team and our seniors had a great night. Six of the seven seniors scored a touchdown. Luke Jobs ran for three touchdowns and passed for three more. A couple of freshmen running backs showed promise for the future. Cord Flynn had a strong run on a 35-yard score and Henry Padberg had an impressive 39-yard touchdown run," said Ione Coach Stan Weiper. "We will miss our senior players and their athletic abilities. We also are looking forward to the development of a good group of younger players in the future."

Heppner preschool starts students off right

The Heppner Day Care and Preschool reports that it is off to a great start to the school year, at full capacity for preschool with 20 students.

The large group of four-year-olds attends class Monday through Wednesday. The preschool also has five three-year-olds, who meet Thursday mornings; Director and head teacher Merry Chandler says there currently is availability for more three-year-olds. Chandler says she is very excited about this big group of bright young children.

The center also provides childcare Monday through Friday. Childcare slots are limited on some days, so parents are asked to call in advance to schedule children.

Chandler has been with the day care and preschool for nearly 16 years. Returning for her ninth year is teacher Ann Jones.

The center also has a few new faces, including new teacher Kelsie Fox. Fox recently completed college with a degree in elementary education.

Also at the day care is a new but familiar face; Mary Haguewood volunteers at the center once a week and helps with phonics, reading and anything else that is

needed. "Both have been wonderful additions to our teaching staff," says Chandler.

Curriculum and material are approved by the Morrow County Commission for Children and Families to help with growth and development for kindergarten readiness. This year, the children have been hard at working learning numbers, letters and sounds.

Children also have been doing fun and educational projects. Recently, the classes had their Halloween party. They are currently working on projects and songs for their annual Thanksgiving feast, which is Nov. 14. Students say they are looking forward to hanging their ornaments on the community tree on Dec. 5, as well as preparing for the winter concert on Dec. 3.

Heppner Day Care and Preschool is a certified center and is a non-profit organization. The center is run with grants, donations, and the support of the community.

Five slots are available for the three-year-old class. Anyone interested in having a child attend, contact the center at 676-5429.

Winter

The upcoming winter storm season is near and Morrow County Road dept. would like to remind all motorists there is **NO winter maintenance on Coalmine Hill (USFS route 53) towards Ukiah.** For the rest of the County winter maintenance practices include plowing and sanding. The combination of practices used at each site may vary to accommodate the different climate, traffic, and storm conditions encountered. Morrow County's goal is to provide a safe roadway. However, it is always up to the motorist to drive according to conditions. Please use extreme caution and common sense. They will do their best and would appreciate your patience. For your convenience the road department would like to direct your attention to a towing service in the area if needed. Lexington Auto Body 541-989-8565, Cell 541-561-5700. Again be prepared and be safe. Questions or concerns may be addressed 541-989-9500.
