Winter

The upcoming winter storm season is near and Morrow County Road dept. would like to remind all motorists there is **NO winter maintenance on Coalmine hill** (USFS route 53) towards Ukiah. For the rest of the County winter maintenance practices include plowing and sanding. The combination of practices used at each site may vary to accommodate the different climate, traffic, and storm conditions encountered. Morrow County's goal is to provide a safe roadway. However, it is always up to the motorist to drive according to conditions. Please use extreme caution and common sense. They will do their best and would appreciate your patience. For your convenience the road department would like to direct your attention to a towing service in the area if needed. Lexington Auto Body 541-989-8565, Cell 541-561-5700. Again be prepared and be safe. Questions or concerns may be addressed 541-989-9500.
