YUM! There's not much better than a fresh donut!!! The kids, staff and board members of the Heppner Day Care and Preschool would like to express our sincere appreciation to the community for supporting the Krispy Kreme fundraiser. The kids were delighted to hear that they sold over 450 dozen donuts. Enjoy!

We would also like to say Great Job to all the kids that participated and thanks to all the parents that helped with the annual Saint Patrick's Day Tricycle Race. Lucky winners were Catherine Lindsay (0-3 years), daughter of Barney and Kimberly Lindsay of Lexington and Logan Turner (4-5 years), son of Rocky and Marissa Turner of Heppner.

When I think of Morrow County with its beautiful flowing wheat fields, the aroma of sage brush, the never ending winds, the Blue Mts in the distance I think what an awesome place this is to call home.

But what I love most about this place is the people, all of YOU, in this little community, who have generously supported me and my family as I have gone through a scary

and difficult time, having been diagnosed with breast cancer last August, then surgeries and chemo treatments. I want to say thank-you to each and every one of you who has supported me through your words of encouragement and hugs, nice cards, the delicious meals, and your amazing financial support. To my Family for taking me to my appointments, fixing meals and watching the kids and your loving support, to all my co-workers at the Morrow County Health District and others of you who may not even know me, your time and hard work in putting together the amazing benefit dinner. The hours of your own vacation time you donated to me as I had to take time off work for treatments and recovery. To all of you who came to the dinner to show your support, you touched my heart and soul and I will always remember your kindness and generosity. You, the people of this community are what makes this the best place in the world to live and I want to thank of each and every one of you for all you have done, however big or small in your own unique way, to make me feel special and loved. You are simply the best.

There's no place like home, there's no place like home, there's no place like home and you all are the tin man, the lion, the scarecrow and the great and powerful OZ helping me get past the wicked witch of the west and back home! "

Thank-you Kim

I want to put in a special thanks for all those who helped me during the bad windstorm on Friday. Special thanks to Celia Moyer, Steve Marlatt, and

all the others in the park who helped me hold the fort down that morning. Also a very special thank you to my best friend, Bonnie Buschke, for all the work she did in trying to get me a place to set up for the special day. Again, I want to thank everyone, and, the good Lord willing, I will be back next year.
