

Mustang golf takes John Day tournament

This past Friday, the Heppner High School golf teams travelled to John Day to compete with teams from Burns, Wallowa, Enterprize and Grant Union high schools.

It was a warm and sunny day at the challenging nine-hole John Day Golf Club.

This course has strategically placed water and trees that make it tough to get around, with few level spots on the course and the need to play to many elevated greens.

The Mustang boys' team had another great outing. Their team score of 335 blew away the field. Logan Grieb was the medalist for the tournament

with a low round of 76. Jesse Corbin followed him with an 84 and Keenan Helfrecht had an 85. Next was John Propheeter, who carded a 90. Tate Gentry shot 92 and Shane Miles a 113 for the day.

The girls' team placed first at the tournament, as well. Maddie Lindsay shot a 95 on the day and finished second overall. Paige Grieb played her best round of the year so far and finished with a 99 to place third. Emily Rea shot a good score of 111 and Amanda Rea carded a 129.

Both Mustang teams travel to Umatilla this Friday for a match at Big River Golf Course.
