CARD OF THANKS

Once again we are taking this opportunity to thank some of our many friends for their support during the last few months.

Thanks to the hair dressers who come on a regular basis to make an ordinary day feel special, to a volunteer who has gotten the residents interested in a special bowling game and to the long-time supporter who gave us a new flat screen TV. We also had an lone student come and show slides of his recent trip to Europe.

Many thanks to all the volunteers of our weekly events, such as crosswords, Bingo, crafts, music, Gazette-Times readers, rides and the library book exchange.

Thanks to the preschoolers who came for a Halloween party where each ghost and goblin was treated to a pumpkin, games, songs and refreshments. They returned for a pre-Thanksgiving celebration and again for a Valentine party. This trip included planting nasturtium seeds.

Thanks also to the fiddlers for entertaining with foot stompin' and hand clappin' fun.

We are ever thankful for the local lodge and the Andersons, who donated meat for our freezer, and the group of ladies who come to give manicures to anyone wanting this luxury.

Recently we have been receiving money donations for the building project about to be underway. They have come from various high school classes and individuals, local and out of town.

Thanks to those who helped with Christmas decorating including the tree, addressing cards, helping to build a couple gingerbread houses and Santa, who visited with presents for under the tree and the socks that were hung. Multiple groups came caroling. There were a couple piano recitals and people bearing various gifts. The traditional crab cake lunch New Year's Day was again made possible by an anonymous donor.

We are thanking for the monetary donations that allow the residents to attend various outings, such as the Veteran's Day tribute at the high school, and a music performance at the grade school.

All of your help is appreciated and makes it possible for more opportunities for our assisted living.
