Fire lookout stories wanted

Portland author collecting stories for a new book

Author Cheryl Hill is looking for people who have staffed fire lookouts in Oregon.

She has been gathering historic photos from the Forest Service and the Oregon Department of Forestry for the past year and is now looking for stories to go along with the photos.

Although stories from recent lookouts are welcome, Hill is especially interested in lookout stories from the 30s, 40s and 50s, even if the stories are second-hand.

"Many of the men and women who worked at lookouts back then have already passed away," Hill says. "I'm hoping that some of their memories
