Public use restrictions move to Phase A on the Umatilla National Forest

PENDLETON, OREGON—Due to increased fire danger and dry weather conditions, Phase A of the Public-Use Restrictions (PURS) on campfires, smoking, off-road travel and chainsaw use went into effect on the Umatilla National Forest on July 19.

Phase A is the second level of restrictions, generally implemented when the fire danger is moderate to high. PURS are phased in collectively, as conditions warrant, and may differ from forest to forest. The public is reminded that the seasonal campfire restriction is still in effect.

Phase A restrictions include:

-Seasonal campfire restrictions and requirements described for

June 1-October 31;

-chainsaws may be operated only between the hours of 8 p.m. and 1 p.m. local time. A one-hour fire watch is required after saw operations cease. Saw operators are required to have an axe (minimum 2 lb. head, 26" length), shovel (8" wide, 26" length), and fire extinguisher (minimum ABC 8 oz.) in their possession;

-smoking is allowed only in enclosed vehicles and buildings, developed recreation sites, or cleared areas;

-no off-road/off-trail vehicle travel or travel on roads not cleared of standing grass or other flammable material;

-no vehicle travel on those Forest Service roads where access has been impeded or blocked

by earthen berm, logs, boulders, barrier, barricade or gate, or as otherwise identified in the Fire Order; and

-the use of exploding targets is prohibited.

The public's cooperation and awareness of the increasing fire danger is essential to a safe fire season. Recreationists, firewood cutters, hunters and other forest users can all help in ensuring a safe fire season. The public is responsible for knowing if restrictions are in place.

For more information about the Umatilla National Forest's Public Use Restrictions, contact Public Affairs Officer Joani Bosworth at 541-278-3722, call Forest Information Hotlines at 1-877-958-9663, or visit the website at www.fs.usda.gov/umatilla/.

Local families needed for exchange students

ASSE International Student Exchange Programs (ASSE) is seeking local host families for international high-school boys and girls.

These students are 15 to 18 years of age, and are coming to this area for the upcoming high school year or semester.

These exchange students are conversant in English, bright, curious and anxious to learn about this country through living as part of a family, attending high school and sharing their own culture and language with their newly adopted host family.

The exchange students arrive from their home country shortly before school begins and return at the end of the school year or semester. Each ASSE student is fully insured, brings his or her own personal spending money, and expects to contribute to his or her share of household responsibilities, as well as being included in normal family activities and lifestyles.

The students are well screened and qualified by ASSE. Families can choose their students from a wide variety of backgrounds, nationalities and personal interests.

Those persons interested in obtaining more information about becoming a host family should call toll free 1-800-733-2773 or go to host.asse.com.
