## Ione library gets 'dolloed up'

The Ione Topic Club has purchased and donated two American Girl dolls to the Ione Public Library. The dolls have arrived and

will be available for check-out by Aug. 1. Both are American Girl period dolls. "Rebecca" is modeled on a 1914 New York girl. Her clothing, and the book that goes with her, will introduce children to city life 100 years ago.

"Josefina" is modeled on a young girl of the American Southwest, 1834. Her story is much different than that of Rebecca.

Representatives of the Ione Topic Club and Library say they hope this will be an enjoyable way for children to learn of the many ways young girls lived in America's past.

The dolls must be signed for by a parent or guardian over 18. Ask at the library for more information.

camp July 25. where the public will be treated to a lunch featuring Tillamook Cheese with a choice of homemade pepperoni, Hawaiian or cheese pizza with salad, cookie and a drink all for only \$5 per person. The price includes SAGE Center admission.

Tillamook cheese products including Squeaky Cheese Curds will also be available during the event, Davis says. Tillamook Cheese became a big part of the Port of Morrow when it expanded its Tillamook, OR facility with a cheese-making facility, Columbia River Processing, Inc., into Boardman in 2001.

In other activities, the center hosts movies on the big screen TV one weekend per month, and Davis said kids' movies have proven to be the most popular.

"The cost is \$5 for adults and \$3 for seniors and kids," she says. "That includes a free bag of popcorn."

The center has also been hosting field trips from local schools, and recently held an Oregon Dairy Princess Ambassador

camp July 25.

Also in the planning stages is the Morrow County Harvest Festival scheduled for Oct. 4. David says people will be able to shop local produce and handmade arts and crafts from participating vendors. There will also be activities for the kids, and admission to the festival and the SAGE Center will be free all day. There will also be local beer and wines available for tasting, she adds.

Regular hours for the SAGE Center are: Memorial Day through Labor Day, 10 a.m. - 5 p.m. Monday through Friday, and Saturday 10 a.m. to 6 p.m. The rest of the year the center is open Mon. - Sat, 10 a.m. to 5 p.m.
