how you stayed calm in a situation when most kids would have been hysterical. Because Bob and Mike were fighting fire on the Sunflower Flat fire, it was up to me and the kids to do what we could do until help arrived, so Thanks to everyone who responded so quickly, we are grateful and appreciate all you did to help us.

Words can't adequately express how grateful we are to the firefighters, friends and neighbors who helped control and put out the Clarks Canyon fire. We are blessed to live in a community where everyone helps everyone and it was certainly true the day of the fire. A special thanks to Shari Stahl who called the fire in and to the Heppner Fire Department for responding so quickly and for getting the other fire departments involved when the winds changed direction and they couldn't be everywhere. Blane and Jaiden were so mature and so much help getting the water truck filled and the big gun in the pasture ready to go and getting all the horses from the barn and pastures to the arena where they could be safer, we are so proud of you and
