

## Buyer's Appreciation Lunch Saturday of fair

Once again, the Buyer's Appreciation Lunch will be held prior to the youth livestock auction on Saturday, August 16, from noon to 1:30 p.m.

This "fantastic lunch" is provided to each livestock auction buyer from 2013 plus one guest. "The Ione Community Livestock 4-H Club does a fantastic job of coordinating and serving an outstanding meal to all of our past and potential buyers," said a spokesperson.

The menu this year includes Painted Hills Natural Beef, scalloped potatoes, pasta salad, fruit bowls and carrot cake with lemonade and iced tea.

"You won't want to miss out on this delicious meal served to you by current Morrow County 4-H members, leaders and parents. If you are a new buyer for 2014 - we welcome you to join us for lunch too. Morrow County 4-H, Livestock Growers, and the Fair Board

would like to show their appreciation to the tremendous support that these buyers have for our youth." Last year's buyers will receive passes to the dinner courtesy of the Morrow

Livestock auction

County Livestock Growers. If you are a new buyer, call the 4-H office for luncheon tickets. "It is sure to be a great meal again this year, so come hungry. Make a day of it and stick around for the rodeo that evening beginning at 7 p.m."
