CARD OF THANKS

Thank you to my family, neighbors, friends for all their love and support during my recent hip revision surgery and recovery. Special thanks to the Doctors, nurses, and staff at Pioneer Memorial Hospital for the exceptional aftercare and support I received after surgery.

To Kellie for going above and beyond all expectations in taking care of me. Finally, to my special care giver Kacie Gene, who stayed with me the first few nights home, setting her alarm every two hours to check on Gma Art, keeping meticulous records making sure I had the right medications. Awesome job Kacie.

Thanks to everyone for the prayers, visits, telephone calls, flowers, cards, gifts, and meals. It is so uplifting to live in such a thoughtful, caring community.

Blessings,
