Mustang softball has rocky start to league games

The Heppner mustang softball girls took to the diamond in Irrigon on Saturday for their first league games, fielding only nine players due to some sickness.

All nine players battled hard and played well through two tough losses. Meranda Lemmon and Jessica Kempkin had two singles each while Morgan Correa, Riley Coleman and Sydney Maben each hit singles as well in a 4-8 loss in game one.

In game two, all of the Mustangs hit the ball well...unfortunately right at the Irrigon defense. Meranda Lemmon took to the circle to hurl for the Mustangs for both games of the day, giving up few earned runs for a tight battle in the second game. Morgan Orem led the hitting with three singles. Onna Deloach and Meranda Lemmon each had two singles. Morgan Correa, Riley Coleman and Sydney Maben each had a single in a heartbreaking loss that was tied up in the
