CARD OF THANKS

We would like to express our sincere gratitude to the Heppner and Boardman Station 7 fire departments for the quick response and professionalism in putting out the tractor fire we had on March 31st.

The time and training you must put in are obvious when your community needs you. We are lucky to have such great services and hard working individuals volunteering their time.

Also thank you to our neighbor, Mark Cutsforth for calling it in quickly and protecting us from a worse situation.

Thank you!!
Turner Ranch,
Todd and Missy Lindsay

We have so many people to thank for helping us during the past 7 weeks. It was because of the actions and prayers of so many that we are now both happily at home. Thanks to Les and Janice Paustian, Rusty and Cyde Estes, and the Heppner EMTs for their quick response and getting Rick the immediate aid he needed. A huge thank you to the staff at Pioneer Memorial Hospital for Rick's life saving medical care. We have always been a strong proponent for our hospital and this only reaffirms our belief we

are incredibly fortunate to have this facility in our community.

Thank you also for the many prayers, cards, flowers, phone calls and visits while Rick was at Kadlec and recovering at home. Thanks also for the many meals provided during this time.

We would also like to express our sincere appreciation to the entire nursing staff at PMH for the heartfelt care Susan received during her stay. You helped make a difficult time away from home much easier.

It is often during trying times we are reminded of all we have to be thankful for. We are so grateful to live in a community where we are surrounded by such caring people.

The Assisted Living would like to use this means for thanking all the many volunteers and friends for their continued support these last few months.

Our thanks to those who continue to help with all the weekly ongoing activities of Bingo, crafts and games, piano music, reading of the Gazette-Times, provision for rides, exercises, movies and the library exchange.

We appreciate all the food contributions we have had from clubs and individuals. This includes the prime rib for Christmas Eve and the crab to celebrate the New Year.

Cash donations have helped toward the building of the new sun room, activities and outings, as well as the purchase of a Precision Weather Station. The weather watchers will report its data to the SWCD as well as providing topics for conversations.

Donations have made it possible for several field trips. One evening was spent viewing the Christmas lights. A group went to Father Condon's production of "Thought of Hope", the St. Patrick's Great Green Parade, the Little Feet concert, a presentation at the Christian Church on Islam, Veteran's Day assembly at the high school and a trip to Boardman to check out the Sage Center.

Thanks to the volunteers for helping with Christmas cards, writing letters, helping a resident bake a birthday cake and a crafty person who loves to make all occasion cards for the residents to use.

The pre-schoolers are always a welcome group. They were at the Terrace for a Halloween party when they made jack-o-lanterns from pumpkins and did some trick or treating. They were back for a Valentine's Day party, trading Valentines and having tasty treats.

Christmas included groups of volunteers decorating within the facility, including the tree, and there was a competitive gingerbread house building.

Thanks to the Old Time Fiddlers, carolers and piano recitals for bringing music into the residents' lives.

The residents themselves have given back several different ways over the last six months. One special day they honored our local firemen, showing appreciation for their fire drills and educational instructions for the staff. The second opportunity was for the Ione and Heppner booster clubs' dinners and auctions. This included making up baskets for their auction. It was a way the "Hill" can thank the schools for their support. They also recognized the maintenance men who

come to fix things which need attending to. And last, but not least of importance was "nurse day." Their care through Home Health and Hospice is a valuable asset. Once more we say thank you to the community at large for being so generous with donations of money, time and talent, which makes our facility the kind of home we want for our loved ones. You are truly a blessing.
