Boy Scouts fundraiser will raise flags in yards four holidays a year

Willow Creek Boy Scout Troop 691 wants to display the American flag in yards all over Heppner. The troop has organized a fundraiser that gives residents the opportunity to display a three-foot by five-foot flag on an eight-foot pole on four holidays each year: Memorial Day, Flag Day, Independence Day and Veterans Day.

For \$45 the first year and \$40 each subsequent year, members of Troop 691 will place a nylon flag in residents' yards. The flag will be displayed from sunrise to sunset on the four holidays.

"Once the service is purchased, residents won't have to do anything—the scout troop will do all the work for you," said Dan Grigg, Scoutmaster for Troop 691. "This makes it easy for members of the community to show their patriotic spirit and to have a flag flying at their home."

Funds raised from the project will help the troop keep its equipment updated and will help pay for boys to attend annual summer camps and other high-adventure activities. In the past, Boy Scout Troop 691

cut and sold firewood each year to raise funds for summer camps and other activities.

"Selling firewood was a great fundraiser and we appreciate the generous donations of Bruce Young Logging, Sam Hornbeck and others over the years. However, what we found is that most of the work was done by the adults and we were looking for a project that the boys themselves could have a significant role in," said Dieter Waite, executive of the chartering organization. "Scout troops in other communities have done the flag fundraiser and found it to be very well received in their communities. Our plan is to start with Heppner, and potentially expand it to Lexington and Ione over time."

The scout troop will start taking sign-up's right away. The goal is to have the subscriptions complete and the flags purchased and ready to display by Memorial Day.

Anyone interested in signing up or who would like more information, send an email to troop691oregon@gmail.com or call 541-299-9000.

Connell appointed to Boardman planning commission

During their April 7 council meeting, Boardman City Councilors appointed Toni Connell to fill a vacancy on the Boardman Planning Commission. She will serve a term that expires on Dec. 31, 2017. Connell had served as the planning commission's recorder for the past three years. Boardman councilors say she brings valuable understanding of the challenges of managing Boardman's growth, improving infrastructure, and how to further develop Boardman. She has lived in Boardman for more than seven years with her hus-

band Mike.

The planning commission is comprised of seven members appointed by the city council and is a permanent advisory body to the council on matters related to planning and development. The commission holds monthly public meetings to consider land use and zoning matters presented by staff, such as plan amendments, zone changes and amendments, conditional use permits, variances and tentative subdivision projects. Meetings are the third Wednesday of each month at 7 p.m. at

Boardman City Hall.

Currently the planning commission has two vacancies. Interested parties must be adult residents of the City of Boardman and be willing to commit to the monthly meetings. For more information, contact Boardman City Hall at 541-481-9252.
