

# New skill is the 'icing on the cake' for 4-H members

Local 4-H club members recently had a sweet time learning to decorate cakes. Yvonne and MaLinda Morter of Ione, who have a business baking cakes and cupcakes, hosted the meeting at their home on Wednesday night, July 22.

Nine 4-H members, one visitor and several parents were present according to leader Nancy Jepsen. Yvonne Morter gave cake-baking tips and demonstrated how to level, crumb coat, and then frost a layer cake.

After watching a demonstration on how to use different frosting tips, club members enjoyed trying out the decorating tips with colored butter cream frosting on a cardboard plate that they could take home with them.

The evening concluded with eating cake and ice cream.

Gathered at the home of Keith and Yvonne Morter of Ione for a 4-H cake-decorating class were (back L-R) Grace Ogden, Eva Martin, Renee Peterson, MaLinda Morter, Mazie Hill, Yvonne Morter, Katelyn Thompson, (front L-R) Madison Orem, Haylie Peterson, and Cecelia and John McElligott. -Contributed photo

Some of the 4-H members are planning to enter the new cake-decorating contest at the Morrow

County Fair this year, or are displaying their cake decorating skills with an ex-

hibit, so everyone is invited to come to the fair and see what they learned.

## Host families sought for high school exchange students

ASSE International Student Exchange Programs (ASSE), in cooperation with local high schools, is looking for local families to host boys and girls between the ages of 15 to 18 from a variety of countries, including Norway, Denmark, Spain, Italy and Japan, to name a few.

ASSE students are enthusiastic and excited to experience American culture while they practice their English. They also love to share their own culture and language with their

host families. Host families welcome these students into their family, not as a guest, but as a family member, giving everyone involved a rich cultural experience.

The exchange students have pocket money for personal expenses and full health, accident and liability insurance. ASSE students are selected based on academics and personality, and host families can choose their student from a wide variety of backgrounds, countries and personal interests.

To become an ASSE Host Family or to find out how to become involved with ASSE in your community, please call 1-800-733-2773 or go to [www.host.asse.com](http://www.host.asse.com) to begin your

host family application. Students are eager to learn about their American host family, so begin the process of welcoming your new son or daughter today.
