 family and neighbors, too many to try to name individually but no less appreciated!! Thank you for responding with water trucks, equipment and hard work. We have no doubt that your quick response protected the Ken Turner home and made the evening a lot less anxious. Special thanks to those who contributed major equipment; Mark Cutsforth, again your prompt response was crucial, thank you for your equipment and work on the steep hillside and attention for the additional couple of days we had flare ups; Andy Ashbeck thank you for hauling your CAT clear over the canyon to mop up and keep the blazes from growing; Mark Miller thank you for your equipment on the hilltops creating fire lines; and Scott Dougherty thank you for running equipment on the steep hillside and staying on top of things along with Wayne Seitz for the additional few days we had flare ups of fire. Our farming communities in these canyons and our small towns are a humbling blessing and we can not thank you enough for your friendship and help!!! THANK YOU Sincerely,

PUBLIC NOTICE
 Notice of District Measure Election NOTICE IS HEREBY GIVEN that on August 26, 2015 Heppner Rural Fire Protection District filed a ballot title in the Morrow County

Clerk's Office, Heppner, Oregon. (Full Ballot Title is as follows) CAPTION: H.R.F.P.D. Fire Hall General Obligation Bond Authorization. QUESTION: Shall the Heppner Rural Fire Protection District issue \$390,000 in general obligation bonds to finance a fire hall? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution. SUMMARY: Approval of this measure authorizes the District to issue up to \$390,000 of general obligation bonds to pay capital costs related to a new fire hall, including paying costs of issuance of the bonds. This measure, if approved, would finance costs related to a new fire hall jointly owned with

the City of Heppner. The city is also seeking general obligation bond approval to finance its proportionate share of the proposed fire hall. The fire hall is expected to be located on land owned by the City. The bonds may be issued in one or more series. Each series will mature in 21 years or less. This measure is estimated to result in a tax of \$0.41 per \$1,000 of assessed value per year, or approximately \$62 per year on a home assessed at \$150,000. Any elector may file a petition for review of this ballot title in the Morrow County Circuit Court no later than 5:00 p.m., September 4, 2014 (7 business days after filing of this notice with the County Clerk).
