FAIR BOARD OPENINGS

the Butter Creek area. She works for Hayden Dental in Hermiston.

Gorham said she joined the board because she saw a need to be filled.

"They needed people on the board and I've been in and around it my whole life, so I thought I could help," she said. Like Taylor, though, she felt it was time to step aside, saying she was too busy with her children to do the position justice.

"It wasn't fair that I hold the position and not

devote my full attention to it. It was time that I stepped down," she said.

Both encourage community members to step up and take part in the fair board.

"I think the families need to get involved with the fair and on the fair board. Keep the fair going," said Taylor, adding that "Everybody has to work but it doesn't take that much time."

"You get the opportunity to see what these kids are doing. That was one of my biggest deals, watching the

kids over the last 10 years, more than I would have sitting at home," he added. "The fair board always needs new ideas and new energy to make it work."

For more information on joining the Morrow County Fair Board, contact the Morrow County Fair Office at 541-676-9474 or email mcfair@co.morrow.or.us.

The next meeting of the fair board will be Tuesday, Nov. 17, at 6:30 p.m. at the Morrow County Fairgrounds.

Red Cross encourages blood donations before holidays

The American Red Cross encourages eligible donors to give blood before the holiday season is in full swing. Opportunities to

give blood are available in Boardman Nov. 6 at Three-mile Canyon Farms from 11 a.m. to 4 p.m. and Nov. 10 at Riverside High School

from 9:30 a.m. to 3 p.m. Donations often decline from Thanksgiving to New Year's and are needed now to help offset this decline.
