Both Saturday and Sunday will start off with a "Buckaroo Breakfast" at the school cafeteria from early morning to 11 a.m., prepared by the Spray High School athletic programs.

The parade on Saturday will begin at 11 a.m. at the old Spray General Store area and will be led by Queen Bella Yanes from

Local host families sought for exchange students

ASSE International Student Exchange Programs (ASSE), in cooperation with local high schools, is looking for local fami-

lies to host boys and girls between the ages of 15 to 18 from a variety of countries, including Norway, Denmark, Spain, Italy and

Japan, to name a few.

ASSE students are enthusiastic and excited to experience American culture while they practice their English. They also love to share their own culture and language with their host families. Host families welcome these students into their family, not as a guest, but as a family member, giving everyone involved a rich cultural experience.

The exchange students have pocket money for personal expenses and full health, accident and liability insurance. ASSE students are selected based on academics and personality, and host families can choose their student from a wide variety of backgrounds, countries and personal interests.

To become an ASSE host family or to find out how to become involved with ASSE in your community, please call the ASSE Western Regional Office at 1-800-733-2773 or go to www.host.asse.com to begin your host family application.
