Irrigon council to meet

Changes made to user fees, utility rates

The City of Irrigon will hold its monthly meeting Tuesday, June 21, at 6 p.m. Agenda items include a police services inter-governmental agreement with Morrow County Sheriff's Office; Irrigon Enhancing Properties Policy; public hearing on 2016-17 budget items; and employee compensation per established wage scale. Visit the city's website at www.ci.irrigon.or.us for more updated and historical information.
 In other business, the Irrigon 2016 enhancement process is underway. The deadline is July 1 to submit for potential funding.
 The enhancement process is for upcoming projects that will enhance the greater Irrigon area.

Proposals must meet the application criteria and benefit the Irrigon as a whole, not just the respective members or customers of an organization.
 In other city business, the Irrigon City Council adopted three basic user fees on Tuesday, May 17. These fees will be directed to support the police service agreement with Morrow County Sheriff in the general fund, and fees toward street lighting and street maintenance in the street fund. With these additional resources going towards operating expenses, monies that historically have been

transferred from the general fund to the street fund will be redirected toward capital improvement projects for improved street lighting and street improvements.
 Effective July 1, the combined fees will be a \$10 per month charge per ERU within city limits. A single family dwelling equals one ERU.
 The Irrigon City Council also adjusted utility rates back on Tuesday, Dec. 15. This adjustment and slight increase is to continue building strength to the city's fiscal resources.
 Effective July 1, the minimum bill for a single family dwelling, inside the

city limits, will be \$100 per month. Basic water will be \$23.63 with the water revenue bond decreasing to \$15.32 and basic sewer will be \$46.17 with sewer revenue bond decreased to \$14.88. Additionally, water used over the minimum 1,336 cubic feet (10,000 gallons) increases to \$0.02596 from \$0.01526.
 All the adjustments and increases are earmarked for Capital Improvements (Reserves).
 For more information or to see the full fee schedule please contact Aaron Palmquist, City Manager at 541-922-3047 or manager@ci.irrigon.or.us.
