# Heppner library book club to meet June 21

The second meeting of the Oregon Trail Library District book club will occur Tuesday, June 21, at 7 p.m. at the Heppner branch library. The book selection this month is "The End of Your Life Book Club" by Will Schwalbe.

During her treatment for cancer, Mary Anne Schwalbe and her son Will spent many hours sitting in waiting rooms together. To pass the time, they would talk about the books they were reading. Once, by chance, they read the same book at the same time—and an informal book club of two was born. Through their wide-ranging reading, Will and Mary Anne—and

we, their fellow readers—are reminded how books can be comforting, astonishing, and illuminating, changing the way that we feel about and interact with the world around us. A profoundly moving memoir of caregiving, mourning and love, "The End of Your Life Book Club" is also about the joy of reading, and the ways that joy is multiplied when we share it with others.

During the meeting the book club will discuss the selection from May—"Quiet: The Power of Introverts in a World That Can't Stop Talking," by Susan Cain. During the first meeting the group

watched Cain's TED Talk about this book. After the discussion the group will prepare for the new selection by watching a video of the author discussing the book, as well as a TED Talk by Randy Pausch, author of "The Last Lecture," one of

the 109 books discussed in the book.

Books will be available in all formats for checkout during the book club. Please call OTLD Library Director Kathy Street, 541-481-3365, with any questions.

# Chamber lunch meeting

The next lunch meeting of the Heppner Chamber of Commerce will be a jam-packed information session on Thursday, June 16, at noon in Heppner City Hall conference room.

Tom Wolff of Columbia Basic Electric will be giving some CBEC projects updates, including electric car chargers to be installed, research into a hydro-generator on the Heppner pipeline and a hydro project with Willow Creek Dam.

Oregon State Chamber of Commerce Executive Director Alison Hart will discuss Initiative Petition 28 (IP28), proposed for the November 2016 statewide ballot, which would impose a new \$5 billion tax on sales.

Cost of lunch is \$10; Howe's About Pizza will cater. Chamber lunch attendees are asked to RSVP at 541-676-5536 no later than the Tuesday before to guarantee a lunch.
