Save the date for HHS Booster Club steak feed, auction

L-R: Melissa Lindsay, Toni Nichols, Becky Kindle, Brandi Sweeney, Carri Grieb and John Murray remind everyone to save the date for the Heppner High Booster Club steak feed and auction in October. -Contributed photo

The Heppner Jr./Sr. High Booster Club is beginning to organize this year's annual steak feed and auction, which is scheduled for Saturday, Oct. 8, at the Heppner Elks Club.

Donation request letters were sent out last week to people and organizations who have donated in the past. The committee is excited about many traditional favorites as well as some new and unique items that they hope to be able to include this year. If you are interested in donating

and have not done so in the past, you may contact any board member or the office at Heppner High School.

The Booster Club currently supports every athletic, academic and special interest group that HHS offers to its students with monetary donations that cover a wide range of expenses. They have also funded major renovations to the high school gym and weight room and have plans to replace the snack shack at the baseball field this year. The steak feed and auc-

tion is the group's main fundraising event, and committee members say they are looking forward to another fun and successful event this year. There will be a planning meeting Aug. 3 at 6 p.m. in the HHS library. The Booster Club board and the auction committee encourage anyone interested in helping with the event or becoming more involved with the Booster Club to please attend the meeting or contact a board member for more information.
