CARD OF THANKS

We would like to thank Beverly Howe (and Ron Howe, we think of him often) and the staff of Howes About Pizza that diligently worked hard to provide amazing pizza for our community and surrounding communities for so many years. Thank you for always being so hospitable and genuinely kind to your customers and for supporting the youth activities and sports events in the area. Thank you for providing pizzas for the local shared ministry youth group after the many years of World Hunger Fasts they did to raise money and awareness for World Hunger by fasting for 24 hours - the pizzas at the end of that 24 hours was always welcomed. The exchange student that we hosted a few years ago, Axel Lofgren from Sweden asked us to get Howes About Pizza the first night he returned to Heppner, a couple years after he had returned home from Heppner, he loved your pizza so much that he was thinking about having a couple of them freeze dried and shipped to Linkoping, Sweden where he was from, now that is someone who truly loved Howes About Pizza. Thank you for giving your family and community members a job to support their lives, for being an example of strong work ethic and for always remembering our pizza order of choice, even when we didn't say who we were on the phone, you guys really knew how to run a business and how to run it right. Your years of hard work never went unnoticed nor will it ever be forgotten, thanks again for the blessing we had of Howes About Pizza. The best to you in your future!

There are so many people to thank, starting with my friend and neighbor Lauri and my son Russ who got out of bed in the middle of the night to help me. All the first responders, especially Jay Keithly, who knew the layout of my house was not going to be a drive up and load trip. Dr. Ken Wenberg for making the right diagnosis/decisions and pulling me through once again. All the nurses, techs and PMH personnel for everything they did. The ambulance crew, Rusty, Danny, Tina and Peggy, for the ride to Kadlec that I don't recall too much of. A special thank you to all blood donors; you are ex-

ceptional people. To my children, Karmin, Russ, Kellie, Marty and Dana for the 24-hour bedside care at Kadlec. To Father Gerry for the phone calls and prayers. Kacie for being my errand girl. To Mel for all the transportation. All my family and friends for the prayers, visits, cards, flowers, good thoughts and acts of kindness. To all those I can't recall, but am so thankful for everything you did. We live in a very special community.
 Thank you
