## VA to host town halls in Irrigon, Boardman

Walla Walla, WA—The Jonathan M. Wainwright Memorial VA Medical Center (Walla Walla VA), in partnership with Morrow County's Veteran Service Office, is holding two quarterly town hall meetings on Tuesday, March 7.

The morning session will be held at the Irrigon branch of the Oregon Trail Library District (500 NW Main) from 10-11 a.m. The afternoon session will be held at the Port of Morrow in Boardman (2 Marine

Drive) from 1:30 p.m. — 2:30 p.m.

Walla Walla VA's Medical Center Director Brian Westfield will lead the meetings and will provide facility updates along with updates on the Veterans Choice Program. Morrow County's Veteran Service Officer Linda Skendzel also will be in attendance for those who need assistance.

These are two of many quarterly town halls being held by VA facilities across the nation. These meetings

are intended to provide local veterans a wide-open forum and for VA officials to hear directly from beneficiaries as a step toward improvement and to rebuild trust among veterans.

"Caring for veterans is a calling, and our first commitment is to provide veterans and their families the timely, quality care and benefits they have earned and deserve through their service to our nation," said Acting Secretary of Veter-

ans Affairs Robert D. Snyder. "As we seek continual improvement and to rebuild trust among veterans, it is critical that we continue to listen and learn directly from those who use our system."

This town hall meeting is open to the public and the media, as well as Congressional stakeholders, Veteran Service Organizations, non-governmental organizations, and other community partners.

## Boardman mayor, councilors sworn in

At its first meeting of the new year, the Boardman City Council held a swearing-in ceremony for four members.

Sandy Toms was sworn in for her second term as Boardman's mayor. Mayor Toms swore in councilors Toni Connell, David Jones and Art Kegler. All four were elected in the November General Election.

Councilor Connell is new to the council, and has served on the Boardman Planning Commission since 2015. Councilors Jones and Kegler were re-elected and have each served the past four years on the council. All four members will serve for a term ending Dec. 31, 2020.

In other city business, the council re-appointed Jacob Cain and David Gray to the planning commission and appointed Logan Mayfield and Ryan Kreps to the planning commission.

The council also approved waivers to the city's water and sewer system development charges for 2017.

Councilors also passed two resolutions in opposition to Governor Kate Brown's proposed budget. One resolution opposes the proposed closure of the Pendleton forensics lab, one of only five in the state. The other resolution opposes the proposed budget reduction to the Oregon State Police, which could result in the elimination of the Drug Enforcement Section. The Drug Enforcement Section would eliminate 19 positions, including three positions assigned to the Blue Mountain Enforcement Narcotics Team in Morrow and Umatilla counties.

The next meeting of the Boardman City Council will be Tuesday, Feb. 7, at 7 p.m. at Boardman City Hall.

The Oregon Attorney General filed a lawsuit against certain manufacturers of Cathode Ray Tubes ("CRTs"). The lawsuit alleges that CRT manufacturers illegally agreed upon the pricing of CRTs. The Attorney General filed this action in her law enforcement capacity, and on behalf of the State of Oregon and Oregon natural persons, and sought equitable relief, restitution, civil penalties and injunctive relief.

Oregon has settled with five defendants for a total of \$3,645,000 ("Settlement Fund"). The State of Oregon and Oregon natural persons may be entitled to a portion of the Settlement Fund. "Oregon natural persons" means a human, not a business.

#### Who Is Included?

The State of Oregon and Oregon natural persons who indirectly purchased at any time during the years 1995 to 2007, for their own use and not for resale CRTs incorporated in TVs or computer monitors. An indirect purchaser is someone that purchased products containing a CRT from someone other than the company that manufactured the CRT component, such as from an electronics retailer or a device manufacturer other than one of the Defendants.

#### What Are My Rights And Options?

**Exclude yourself:** Oregon natural persons have the right to exclude themselves from this action. The State of Oregon cannot be excluded. If you opt out, you will not be legally bound by the litigation or these settlements, but you will not get any money or other benefits from this action or these settlements. You will retain any rights you currently have, if any. Please note that under Oregon law, authority to bring antitrust actions for indirect purchaser claims, like this action, was limited to actions by the Attorney General until January 1, 2010.

To opt-out, complete the opt-out registration online at [www.OregonScreenSettlement.com](http://www.OregonScreenSettlement.com) or send a written letter stating that you want to be excluded from the case: *State of Oregon, ex rel. Ellen F. Rosenblum v. LG Electronics, Inc. et al.*

**File a claim:** Only Oregon natural persons need to file a claim to obtain benefits from these settlements. Claims can be completed online or by mailing the claim form, available for download at [www.OregonScreenSettlement.com](http://www.OregonScreenSettlement.com), to the Settlement Administrator. The Court has not set a deadline for filing claims, as the case has not concluded.

**Do nothing:** If you do nothing, you will continue to be represented by the Oregon Attorney General in the action. You will be bound by the terms of the settlements, and will release Defendants and related entities from any claims you may have relating to the allegations in this lawsuit. Oregon natural persons that do not file a claim will not be entitled to any benefits in this matter and will be bound by the terms of the settlement.

#### Who Represents Me?

The Attorney General of Oregon represents the State and Oregon natural persons. You do not have to pay the Attorney General. The Attorney General will request the Court approve attorney fees and litigation costs from the Settlement Fund. Additional costs to administer the Settlements will also come out of the Settlement Fund. If you want to be represented by your own lawyer, and have that lawyer appear in Court for you, you must exclude yourself and hire an attorney at your own expense.
