CARD OF THANKS

We would like to extend a heartfelt, "Thank you," to everyone involved in Asher's benefit dinner Saturday night. It was an amazing night and our family was extremely humbled and overwhelmed by everyone's love and support. This event would not have been possible without the sacrifice of many individuals. Where to begin and end is nearly impossible with regards to recognizing all who showed their love. We would like to name a few though. First of all, thank you Jesse Rodriguez and Lacey Jensen for coming up with the idea and for all your hard work in helping to pull it off. The dinner was wonderful and we want to thank Toni Nichols for planning and organizing it. Thank you to all who helped cook and serve and Jay Coil for manning the BBQ. Thank you Juli McDonald, Cathy Smith, Debbi Howard, and everyone who helped organize and gather donations. We are so grateful for Stephanie Rill, who has been a very active warrior for Asher's Army. Thank you Lindsay Mitchell and all of the decorating crew for all of your hard work in making the event shine. Thank you Grieb family and Melissa Lindsay for pulling off a very successful auction. Thank you Joe Lindsay and family for your amazing musical talent. Now Asher wants to talk like Ken and play guitar like Joe, which would be an interesting combination! To all the volunteers who helped set up, clean up, and cashier, thank you for sacrificing your time. Thank you Jaiden Mahoney and Hunter Nichols for presenting items at the

auction. We would also like to thank Sheena Shank, Darlene Klock, Kimberly Hambleton and all of those who made the quilt raffle possible. We are so very grateful to all who donated generously to the silent and live auctions. We also want to thank each and every one of you who came that night to support our family. The outpouring of love was overwhelming! We are so thankful God has planted us in this amazing little community that (as Joe Lindsay so perfectly expressed during the Town & Country) produces the best people in the world! Friends, family, and even strangers expressed their love and support of our dear son. Whether God has ordained a short or long life for our beautiful little boy, we are so thankful He has chosen our family and this community to allow us to love and care for him there is no doubt he will know he is so very loved by everyone in this community and beyond. With every yell from Tim Dickenson, Jim Kindle, and Blake Knowles came a sound of support to our ears and made it difficult to hold back tears because we knew there would not be many "good deals" at that auction! This event raised enough money to meet the current financial goal for one of the lead researchers located in Canada who studies Asher's specific type of Leukodystrophy. Another researcher is located in Amsterdam who specializes in hypomyelinating Leukodystrophy and works very closely with the researcher in Canada. There are less than 150 people with this specific type of Leukodystrophy and no one who has near

the support that was shown by our community. Your contributions will help so many children, now and in the future. We will be posting an update once we have determined where all the money raised for research will go. God bless and we love you all! "Let us then approach God's throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need." -Hebrews 4:16
