

Mustang Golf teams start season off with wins

The Heppner Mustang Golf teams started their season off with wins at the Echo Hill Invitational last week. The girls' team won the title by shooting a 444 on the day and the boys fired a 361 to take the team win. Other schools that participated were Enterprise, Cove, Wallowa-Joseph, Echo-Stanfield, Grant Union, Hermiston JV and Pendleton JV. It was a very cloudy, cool day and the players also had to deal with a light rainfall for parts of their rounds.

Sophie Grant took first place medalist honors on the girls' side by shooting an 86 on the day and she won by six strokes. Claire Grieb was next for the Mustangs with a 117 and Nicole Propheter shot a 119. Caitlyn Scrivner recorded a 122 and Madison Combe followed with a 123.

On the boys' side of things, Logan Grieb led the team with an 84 and was the first place medalist for the tournament. Dan Bretsch finished with an 87 and was the third place medalist. Kellen Grant followed with a 92 and Jake Lindsay fired a 98. Reno Ferguson was next with a score of 100.

The Mustang JV boys' team scored a 431 on the day. Logan Burrigh led

Nicole Propheter teeing-off

the charge by shooting a 97. Casey Fletcher was next with a 103 and Cason Mitchell fired a 104. Charles Cason had a 123 and Wyatt McNary shot a 138.

The scores for all of the Mustang golfers weren't that bad considering the lack of practice time they have been able to have due to some adverse weather conditions so far this

spring. It was also the first match of the season and the cool and rainy conditions made it hard to score well in Echo. As the weather gets better and the temperature goes up, the golfers scores will surely come down.

Coaches Greg Grant and Matt Scrivner are excited about this group of talented players and are expecting some good things out of both teams this year.

ODFW announces free fishing days April 22-23

Anglers and would-be anglers can enjoy a weekend of free fishing on April 22 and 23. On these two days, Oregonians and visitors can fish, crab and clam for free anywhere in Oregon without a license, tag or endorsement.

This free fishing weekend—as well as to two other free fishing holidays

Nov. 25 and 26 and Dec. 31 – Jan. 1, 2018 -- is in addition to the traditional free fishing weekend on June 3-4. These additional free fishing days are thanks to a 2015 law passed by the Oregon Legislature allowing the Fish and Wildlife Commission to set up to eight days of free fishing every year.

"April 22 is also

Earth Day, and what better way for Oregonians to get outside and celebrate the natural world than by taking family and friends out for a day of fishing," said Mike Gauvin, ODFW recreational fishing manager.

While licenses are waived during free fishing days, all other regulations and regular closures still apply.

If you are needing a break on the sixth hole at Willow Creek Golf Course, you will find a new bench there, installed in honor of the late Bob Jepsen.

Jepsen was an avid golfer, says his wife Suzanne, Heppner, who was

on hand for the dedication Monday. "This was one of Bob's favorite spots," Suzanne said of the gold course. "He loved to golf and I can picture him sitting here waiting to tee off and enjoying the view," she said. "He spent a lot of

time here and this means so much to our family," she said in appreciation of the new bench.

Ralph and Sally Walker, Peggy and Earl Fishburn and David Gunderson helped arrange the donations, pick out materials and install the bench.
