Boardman plans spring clean up

The City of Boardman will sponsor a community-wide clean-up the month of April.

The city has garbage vouchers available, with a \$50 limit, to Boardman residents. The vouchers are valid during the month of April at Finley Butte Landfill and the North Morrow Transfer Station. The garbage voucher program is meant to encourage citizens to clean up their residences by disposing of yard debris. City residents may pick up their vouchers at Boardman City Hall at 200 City Center Circle beginning March 31.

For more information on this program, call Boardman City Hall at 481-9252.

USDA offers livestock feed assistance due to winter storms

Producers who purchased additional feed or had winter grazing losses due to recent winter storms in Oregon are encouraged to contact their local FSA office to learn about the Emergency Assistance for Livestock, Honeybees and Farm-Raised Fish Program (ELAP). ELAP provides emergency assistance to eligible producers of livestock, honeybees and farm-raised fish who suffered losses because of disease, adverse weather or other conditions.

One category of ELAP assistance includes livestock feed and grazing losses due to extreme cold, heavier than usual snowfall and associated snowpack. ELAP assists producers with eligible feed losses that resulted from the costs of purchasing additional feed, above normal quantities, required to maintain eligible livestock during an eligible adverse weather or loss condition, and until additional livestock feed becomes available.

Eligible livestock owners must own eligible livestock that are being maintained for commercial use as part of a farming operation and:

- During the 60 calendar days before the beginning date of the eligible adverse weather or loss condition, owned, cash-leased, purchased, entered into a contract to purchase or been a contract grower of eligible livestock; and
- Suffered a loss on land that is either native or improved pastureland with a permanent vegetative cover or planted to a crop specifically for the purpose of providing grazing for covered livestock.

Eligible Grazing Losses Eligible grazing losses must be incurred on eligible grazing lands physically located in the county where

the eligible adverse weather or loss condition occurred and because of an eligible adverse weather or loss condition.

Additional Livestock Feed Payment Calculations

Payment calculations for feed losses will be based on a minimum of 60 percent of the producer's actual of purchasing additional livestock feed above normal to maintain the eligible livestock during an eligible adverse weather or loss condition until additional livestock feed becomes available.

FSA will calculate ELAP payments for an eligible producer for livestock feed and grazing losses for no more than 150 calendar days.

Producers must file a Notice of Loss within 30 days of when the loss is apparent to the participant, and submit an application for payment by Nov. 1, 2017. To file a Notice of Loss, please contact the Morrow FSA office at 541-676-9011 ext. 2.

Livestock Indemnity Program

In addition to ELAP, Livestock Indemnity Program (LIP) offers payments to eligible producers for livestock death losses in excess of normal mortality due to adverse weather. Eligible losses may include those determined by FSA to have been caused by hurricanes, floods, blizzards, wildfires, tropical storms, tornados lightning, extreme heat, and extreme cold. Producers will be required to provide verifiable documentation of death losses resulting from an eligible adverse weather event and must submit a notice of loss to their local FSA office within 30 calendar days of when the loss of livestock is apparent.

Harlem Ambassadors in Heppner April 27

Harlem Ambassador's basketball show is coming to Heppner High School Thursday, April 27, at 6:30 p.m. The local "Heppner Blues" team will be competing with the Harlem Ambassadors' basketball team.

The Harlem Ambassadors, based in Colorado, are not associated with any other "Harlem" teams, such as the Globetrotters. However, the Harlem Ambassadors all played college basketball and have college degrees in fields ranging from exercise science to criminal justice. Now in their 19th year, they perform approximately 150 fundraising games and entertainment events for nonprofit groups every year. They bill themselves as "quality family entertainment and...fun for audiences of all ages, from kids to kids-at-heart."

Although admission is free due to funding provided by the Morrow County Unified Recreation District, tickets will be required to get into the event to accommodate the seating availability. Murray's Drugs, Bank of Eastern Oregon in Heppner and Lone, and Morrow County Grain Growers in Lexington, Ione and at the Green Feed and Seed store in Heppner will each have a supply of tickets for the communities to pick up. Tickets should be available around the first part of April, with more information to be communicated.

Forests seeking members for RAC

The Northeast Oregon Forests Resource Advisory Committee (RAC) is seeking nominees for new members for a committee tasked with recommending projects to improve forest health, watersheds, roads and facilities around Malheur, Umatilla and Walla-Whitman National Forests.

The three categories of committee members needed are: A) industry professionals with experience in forest products, recreation, mining, grazing or timber, B) environmental groups and individuals connected to groups interested in wild

horses, archeology and dispersed recreation, and C) elected officials, American Indian tribal representatives, school officials or teachers.

Members should be able to attend two full-day meetings per year. Crook, Grant, Harney, Malheur, Morrow, Union, Wallowa and Wheeler counties are particularly encouraged to submit applications.

Nominations will be accepted until April 30.

Contact Ian Reid, Umatilla NF RAC Coordinator, 541-427-5316 or ireid@fs.fed.us to learn more.
