Remember '5 to Drive' during Distracted Driving Awareness month

April has been designated Distracted Driving Awareness month, and the Heppner High School student council recently sponsored a campaign for the entire student body to bring awareness to this issue. Andrea Fletcher of the Community Health Improvement Partnership (CHIP) of Morrow County says distracted driving statistics are "extremely alarming."

"It will take more than information sharing to address the issue but the students took a bold step in starting the conversation," she says.

In light of the seriousness of the issue, CHIP also would like to remind parents and teens of the "5 to Drive" rules for teenage driving:

1. No drinking and driving—Drinking before the age of 21 is illegal, and alcohol and driving should never mix no matter your age.

2. Buckle up. Every trip. Every time. Front seat and back—It's important to buckle up on every trip, no matter how far or how fast.

3. Put it down. One text or call could wreck it all—There is great danger to yourself and others if distracted, texting or dialing while driving—devices are off-limits when you are on the road. In Oregon, it is illegal for drivers under age 18 to use any kind of wireless communication device while driving, including hands-free devices.

4. Stop speeding before it stops you—Drive the speed limit. Every time your speed doubles, your stopping distance quadruples.

5. No more than one passenger at any time—With each passenger in the vehicle, a teen's risk of a fatal crash increases. Oregon uses a multi-stage licensing process for teens—understand your responsibilities.
