Firewood permits available

Pendleton—Personal-use firewood permits for the Umatilla National Forest went on sale Monday at several local vendors and at Forest Service Offices. Firewood permits can be purchased for \$5 per cord with a minimum purchase of four cords for \$20. The maximum limit for personal-use firewood on the Umatilla National Forest is 12 cords per household per year.

Local vendors will sell firewood permits in four-cord packets. An additional vendor fee, up to \$2, will be charged for each four-cord, \$20 firewood permit you purchase at a local vendor. Most vendors are open

early mornings, late evenings and on the weekends.

An additional fee is not charged if you purchase a permit at a Forest Service office.

Firewood cutters are required to carry an axe, a shovel, an eight-ounce capacity or larger fire extinguisher, and have their chainsaw equipped with an approved spark arrester when cutting wood.

Mountain travel will require care to avoid getting stuck or causing extensive and illegal resource damage to the land and vegetation. Many roads are still inaccessible due to snow. Woodcutters are asked to:

- Contact the local

Ranger District office before heading out to make sure the area you're traveling to is accessible.

- Avoid driving off roads to load firewood.

- Be prepared with emergency supplies.

- Let someone know your destination and estimated time of return.

As we move into the hot, dry summer months, Public Use Restrictions (PURs) may be implemented. Firewood season will end November 30, 2017 on the Umatilla National Forest.

For more information on firewood cutting, contact the Heppner Ranger District, 541-676-9187.

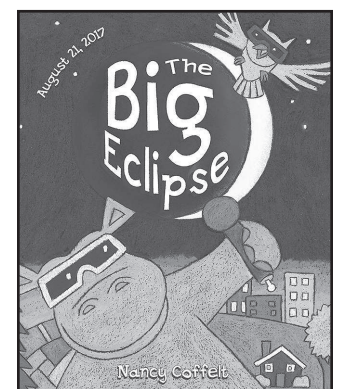

OTLD engages kids in The Big Eclipse

The Aug. 21 total eclipse is the talk of the state. Not only is it going to be an amazing spectacle, but the Oregon Trail Library District realizes it's a good opportunity to engage kids in observational science.

This Friday, May 5, OTLD library branches will hold an hour-long eclipse workshop, jump-started by the book "The Big Eclipse" by Baker City author Nancy Coffelt.

The Heppner program will begin at 2:30 p.m. Irigoin's program will take place at 10 a.m. with Boardman at noon.

During the program, participants will learn how eclipses work, discuss why it's important to "Be Wise, Protect Your Eyes,"

and do an eclipse-themed craft. Participants will also receive materials to take home to learn even more about the eclipse.

Nancy Coffelt is the author and illustrator of many books, including two previous picture books about space science: "Dogs in Space" and "Dogs in Space: The Great Space Doghouse."
