A BIG THANK YOU to Morrow County Grain Growers for sponsoring the Ione Community School Music Programs Musical Dinner Theater.

Another 6 months has past and the assistant living would like to thank the families, friends and volunteers in all the different areas they have been of help to us.
Thanks to our new reader we now have. We appreciate her coming to read the Gazette. Thanks also to the library for the rotation of books they are bringing for our pleasure. Many thanks for all the food donations. The crab for celebrating the New Year's Day, prime rib for Christmas Day, beef from an organization, cupcakes from 4-H kids and other random food donations.
It was decided to have raised garden beds for the residents. We extend our thanks to all the many helping hands that accomplished this. Heppner and Ione schools were responsible for building and placement of the beds, top-

soil, fertilizer and plants. A family has offered to provide pavers for walking the beds and hanging rain gutters for strawberry plants. A local club provided supper with a variety of salads and desserts for the residents. Several club members came and enjoyed supper and lively conversation. We hope you'll all come back. The Christmas season saw caroling groups, a piano recital and volunteers coming to help decorate, all of which were appreciated. The preschoolers came for their annual Valentine's party. These little faces are always a way to liven their day. Many thanks for the weekly volunteers that come for bingo, games and crafts, piano music, rides from the senior bus and The Loop, our new Gazette reader and crossword puzzle people.
The snow removal provided by a local company and our own employee Jerry Baker deserve a special thank you for all of the snow removal. They did a remarkable job. The Mustang mop up students who planted plant starts and seeds, power washed the building and windows, cleaned the sidewalk and hillside deserve a big thanks.
Monetary giving is always a big help to us. Recently we have received money from a local foundation. This money, plus lots of volunteers, have helped in the development of our newly purchased land, remodeling of the facility office and med room
We are thankful for the community on the hill and have been blessed by so many.
Your friends at Willow View Terrace

We wish to thank Mary Ann Elguezabal and Ashley Lindsay for hosting our farewell party last Sunday at St Patrick's hall and all the people that work behind the scenes to put this together. To all those it worked in the preparation of the food, those in the kitchen who made sure all the food was set out on time and did the clean up afterwards. For those that set up and put away all the tables and chairs afterwards. The food and care were unbelievable and so appreciated by everyone in attendance. We felt so blessed and overwhelmed by the many family and friends who attended and showed us such love and support as we get ready for our move from Heppner to Arizona. Our thanks and gratitude cannot begin to express well enough the appreciated words of love we received from so many. Also our thanks go out to those that were unable to attend that sent us cards and their absence. All this made us feel so loved by all. It is been such a rewarding experience to have been involved in St. Patrick's Catholic Church and having the pleasure of Father Gerry Condon as our priest for so many years, followed now by Father Papa. We will miss the people of Heppner and the wonderful community you all are. We love the way Heppner's community pulls together and so generously gives at fund raisers for people they sometimes barely know. We love how we have witnessed the youth of this town, where their respect for others and their willingness to help out the community is so prevalent. We will miss the St. Patrick's Day celebrations

and the Christmas light parades and the way people always waved to one another as a pass by in their cars even if it is not someone they personally know. Our special thanks also to the hospital personnel and those at physical therapy that help so many people. We feel especially thankful to the people the clinic have always been there to serve others so well especially to our personal doctor Dr Dan Hambleton who has gone out of his way to help us in our needs not only as out doctor but as our friend. We are grateful for the personal care received from the businesses in our town as well as the dedication of the teachers and staff at our school, the senior bus transportation, the assisted living facility, the senior living and the restaurants that give us the food choices and variety of food to enjoy. We appreciate having the service of volunteer fire department, the sheriff's department, the ones who man the 911 calls, the people at the courthouse and city hall, the friendly people at our banks stores, pharmacies, power company, post office and the Gazette paper and all the other businesses here. We feel blessed to have been part of this community for the past 13 years.
We cannot begin to list everyone who has made living here an experience will never forget. We will never forget our love of the people here or how all of you have changed our lives and you will always live in our hearts. We will return to Heppner often. We have both of our girls and several grandchildren living here in this wonderful place
Our love to all
Dick and Sharon Jones
