Murray, Grieb compete in Shrine game

Heppner Mustang football players Kevin Murray and Logan Grieb capped off their careers by helping the East team win the 65th Portland Shriners Hospital game with a score of 29-23. More than 50 fans, family members, teammates and coaches made the trip to Baker City, OR to support and watch Murray and Grieb play in the All-Star game.

After a long hot week of practice, the players were ready for the game, and it did not disappoint in quality of play or for lack of excitement. It was a back-and-forth contest that looked at times like either team could get the win.

The West team scored late in the fourth quarter to take the lead in the game 23-21.

The East team then battled back to score the winning touchdown with just over two minutes left in the game. They then went for and scored a two-point conversion to make the score 29-23.

The quick score offense of the West team tried to move the ball down the field, but the East defense held them and got the ball back.

of the clock out to get the victory 29-23.

Murray was a team captain on kickoff, and started and played the whole game at an outside linebacker position. He had many tackles on the night with several of them being for losses. He also recovered a fumble in the game.

Grieb started and played wide receiver the entire game and made several big blocks to help the running backs gain positive yardage. He also played

defensive back for part of the game.

Both boys stated that

The motto of the game is, "We play so the kids can walk." This is the major fundraiser for the Portland Shriners Hospital and that is why the boys in played the game. COUNTY ADMINISTRATOR

-Continued from PAGE ONE appointed to review a job description and screen the applicants. The committee consists of commissioner Jim Doherty, Wolff, county planner Carla McLane and community member Sheryll Bates. Bates is the executive director of both the Heppner Chamber of Commerce and the Willow Creek Valley Economic Development Group.

No timeline was given when the job would be filled, but an originally-mentioned three months was deemed unrealistic to find a qualified person and have them on board. Coun-

ty staff also was instructed to begin the search for an interim. It was discussed that a qualified local person may be found to fill in, with local including Morrow and Umatilla counties.

Commissioners and staff also discussed what could be done to have the next administrator stay for a longer period of time. Sorte was hired in November of 2015 and his last day will be Aug. 25. County assessor Mike Gorman said he did not think it was not good for county government to hire a new person every one-and-a-half to five years, especially if it takes a year to find a new person. Commissioner Doherty said he was going to have a "frank discussion" with Sorte before he leaves about what might have encouraged a longer employment period. Russell said it was not uncommon for professional people to stay on the job for only two to five years.

Chamber lunch meeting

The next lunch meeting of the Heppner Chamber of Commerce will be an all entities report Thursday, Sept. 7, in Heppner City Hall conference room. There will be no chamber meeting Aug. 17 due to fair and rodeo week. Cost of lunch is \$10.

The location is accessible to persons with disabilities. A request for accommodations for persons with disabilities should be made at least 48 hours before the meeting to Sheryll Bates at 541-676-5536.
