## CARD OF THANKS

It was great to be the first to get a ride on the new ramp on the backside of the Heppner United Methodist Church where my hundredth birthday was being served birthday cake and ice-cream to many friends and family. Everything was decorated so pretty and many people came. I sure want to thank you for your kindness to me, a birthday to remember always.

Thank you to the Heppner fire district crew for coming to our rangeland fire after being hit by lightning strikes on August 11th. With quick response by our family and Bart Lentz with his fire tender, it was contained before it totally got out of control. Thank you to Boardman fire, Andy Ashbeck and others that came with equipment to fight fire when the fire was in mop-up mode

We would like to thank everyone who responded to the lightning fire adjacent to our farm Friday night August Eleventh. After dialing 911 and calling, just about everyone we could think of, social media was the best method of getting the word out. The huge show of support was exactly what was needed. Rusty and Heppner

Fire department, all the farmers and their pumper rigs, water tenders, business owners and a couple of school teachers looked like an army that would not stand down and put the fire down they did. Unfortunately, the Jim farley Barn was not able to be saved, which has been a landmark in the area for decades. The fire was stopped pretty much at our property line with very little stubble burned. Thank you seems inadequate. Living in this community of 3 little towns pulling together when needed is awesome.

Thank you All and May God Bless.

We would like to take this opportunity to express our gratitude to Ione, Lexington, and Heppner Fire Departments, our friends, neighbors, and families for their quick response to the fire at Highway 206 on Friday August 11, 2017. The unspoken coordination between the fire departments and volunteers was amazing and helped contain the fire quickly. For this we are very grateful.
