Fight to end distracted driving

Morrow County Sheriff Kenneth Matlack, as part of a grant in conjunction with the Oregon Department of Transportation, announced that the Morrow County Sheriff's Office is holding programs to discourage distracted driving. The programs will be held on Wednesday, Sept. 13, at 10 a.m. in Heppner and at 1 p.m. in Ione, Friday in Boardman and Monday in Irrigon.

"The Morrow County Sheriff's Office is very concerned about distracted driving and is fully committed to the public safety of all our citizens," says Matlack. Citing a tragedy that occurred because of distracted driving, Matlack reports that "Alexxyss Therwhanger, age 19, was killed in a car crash on February 19, 2016, while she was driving home in eastern Oregon. Alexxyss was using her cell phone and lost control of her car, colliding with an oncoming vehicle and severely injuring two other people. Alexxyss would have just turned 20 on May

28, 2016." The trailer with Alexxyss' wrecked car will be on site as a demonstration of what happens when driving distracted.

"To make drivers aware of the serious consequences of driving distracted, the Oregon Department of Transportation and Oregon State Police have teamed up to persuade drivers to pay attention and drive without distractions, especially cell phones," says Matlack. "Take the pledge today to drive distraction free."

Matlack encourages everyone to take the pledge against distracted driving. "The fight to end distracted driving starts with you. Make the commitment to drive phone-free today. Distracted driving kills and injures thousands of people each year. I pledge to: protect lives by never texting or talking on the phone while driving. Be a good passenger and speak out if the driver in my car is distracted. Encourage my friends and family to drive phone-free."

Riverside/Ione Pirates take on the Union Bobcats

The Riverside/Ione Football team won their first outing against the Union Bobcats this past Friday in Boardman. The eight high school players making the trek from Ione to Boardman and back each day are having a great experience and are enjoying tremendous community support for their efforts.

As is the tradition in Ione, the American Legion Post #95 presents the colors before every home game. This year they are traveling to Boardman to do the same and coordinating their efforts with the Riverside HS pep band.
