

Booster Club to host Morrow County Fair 4-H results released

The Heppner Jr/Sr Booster Club has announced the upcoming date for its annual steak feed and auction fund raiser to be Oct. 14. The Booster Club officers and members said they have been busy collecting donations for the steak feed and auction and many of the items are starting to come in. Next Era Energy Resources, LLC, the new owner of the local Wheatridge Wind Energy project, has agreed to sponsor the steak feed dinner portion of the event this year. When contacted the company representative said, "This sounds like a great event and we would love to continue the Wheatridge support of the dinner."

"We are really looking forward to another great year for this event as it is the sole fundraising event that we put on each year and allows your Heppner Jr/Sr Booster Club to donate to literally every class, formal school recognized organization/club and athletic team within the school. The past three years the board has been able to literally assist each and every student in some way," a member shared.

"With NextEra sponsoring the steak feed portion of our event it increases even further our ability to focus all of the funds raised by the generosity of the community and the businesses and people located here, to the students."

This week the Booster Club announced that VIP tables will be on sale Thursday, Oct. 5, starting at 4 p.m. "The VIP experience for the annual auction has been something special we added about four years ago with a lot of additional interest coming each year," commented Carri Grieb, current club secretary. VIP tables are available to anyone who wishes to purchase them, but are limited due to space. The auction goes are treated to round table seating close to auction activity, pampered with two bottles of wine at their table and tableside dinner service. A reserved table for six is \$400 and can be purchased by contacting Melissa Lindsay at 541-561-0234 or reaching out to any Booster Club officer. Tickets for this special service VIP experience are first come, first serve as space is limited.

Heppner receives grant for TSP

The City of Heppner recently received a Transportation and Growth Management Grant totaling \$132,450 for updating the city's 2003 Transportation System Plan (TSP). The city is required by the State of Oregon to have an updated TSP, so this grant is important and timely, said city officials.

"It is vital to have public input to assure the new TSP works for all interests of the Heppner community. Citizens and stakeholders will be able to participate in planning and developing priorities for the city's TSP by attending public meetings and public hearings and by direct communication with council members and staff. This will enhance a future vision of the city to reflect community values

and preserve Heppner's future as a great place to do business, raise a family, and visit," said a spokesperson.

A kick off meeting is scheduled on Monday, Oct. 16, at 12 noon in the city hall conference room. City staff, members of the city's consulting team, and ODOT will be conducting an overview of the project. At 3 p.m. the city will host a walking tour of downtown and the community to assess transportation system needs and identify opportunities to support community development and a vision for the future.

Lunch will be served at noon at the Oct. 16 kick off meeting. Call city hall at 541-676-9618 to RSVP or email heppner@centurytel.net by Oct. 13.

Electric Co-Op to Perform Tree Trimming Operations in Area

Columbia Basin Electric Co-Op, and their subcontractors, Trees Inc., will be conducting their biennial tree trimming operation throughout the service territory during the next few months. Trees Inc. is scheduled to begin trimming on September 25th and are expected to be in the Columbia Basin Electric service territory for approximately three months.

Any inquiries about trees obstructing power lines or the removal of them may be made to Brian Kollman at 541-676-9146, briank@columbiabasin.cc or Josh Coiner, joshc@columbiabasin.cc
