CARD OF THANKS

The family of Susan Johnston would like to thank all who sent the many cards, flowers, meals and the love and support shown to us during the loss of our beloved wife, mother and grandmother.

A special thank you to Father Condon for officiating the beautiful service. We will be forever grateful for your willingness to do this tremendous favor for our family. Susan would have been so honored for you to do her service. We would also like to acknowledge Sheridan Tarnasky for the readings, Joe Lindsay and family and Carley Drake for the beautiful music and the altar servers for their contributions to the service. Thank you to the Altar Society of St. Patrick's Church for the wonderful meal you provided. We would also like to thank Pat and Trisha Sweeney for the professional and caring handling of the arrangements.

Thank you to the doctors and nursing staff at Pioneer memorial Hospital for the comforting care during her time in the hospital. We can never thank Pioneer Memorial Home Health enough for the many years of care and support you provided Susan. This helped enable her to stay at home where she wanted to be.

Susan always felt so blessed to be a part of this caring community. We will always remember the love and caring support shown

to us during this most difficult time.

Rick Johnston

10-4-1p

We thought we had it all under control. A fire line had been disked. The blade and spray rig were on the tractor. Permission to burn was obtained. The fire-starter was trained in prescribed burning and as a wildland firefighter. All of the equipment was working and there was no wind. Then a small storm front started blowing in and as the embers began to spot ahead. . .the sprayer broke. We were in trouble.

I made two calls before running to fight beside my husband: 911, and my neighbor. Then the wheels of this awesome community started turning. Before I could even make it to the field with shovels and water and burlap, two police rigs were directing traffic, ranchers and farmers were showing up with water tanks, and a passer-by had jumped out of his rig, grabbed one of my shovels, and ran into the smoke. Before I knew it, the Heppner Volunteer Fire Department was there, and the immediate danger was over so quickly, I could hardly believe it.

As incredible neighbors, who had suspended their own lives, began to filter away, we were busy blading the fire edge one more time, raking back

hot spots in the duff, and digging out burning roots where the line was close to fresh fuels. We didn't get the chance to say, "Thank you." We watched the fire department diligently mopping up the edges as we worked the interior lines, but they also did not get the humble gratitude they deserved. We're saying it now.

Thank you! Thank you for dropping everything else you were doing. Thank you for caring about others and for being a part of a community. Thank you for risking yourself and your equipment. Thank you to your families and employers who "lent" you to us.

And to Heppner at large—thank you for paying the taxes that support 911 and the fire department. It's hard to watch hard-earned money go into a "pot" for who knows what. But last week, my kids stood in our driveway and watched your hard-earned money keep a fire from racing toward their neighbor's ranch, and watched it protect their own house and animals, should the winds have shifted.

We have a tendency to keep our heads down and work hard. We realize now that we have been negligent in looking around us and recognizing the wealth of good people here and appreciating the commitment of what it means to be a part of, not just a resident in, a community.

Thank you so very much,
Gavin, Danie, Grace, and Sam Smith
